

[Torrent Download Navisworks Freedom 2014 64 Bit](#)

 **Akamai NetSession Interface** 

To complete this download, you need to install the Akamai NetSession Interface, a download manager used to reduce download time and increase quality. This install should take only a few minutes at most, after which your download can resume.

Please take the following steps:

1. Download the installer by clicking the link below.
2. Run the downloaded installer - it will set up the NetSession Interface.
3. When the install has completed, this popup will close and the download will resume in the browser window.

Click here to begin: [download the installer](#).

If you have questions or want more information about Akamai NetSession Interface, please visit our [home page](#).

If you cannot complete the installation, [click here](#).
